

## Climate Change Adaptation and Environmental Protection Policy Statement

Faith Engineering Works and Services LTD (FEWS LTD) is committed to addressing climate change and protecting the environment. As a responsible engineering and services company, we integrate sustainability and environmental stewardship into our operations, projects, and corporate culture. This policy outlines our dedication to mitigating environmental impacts, conserving resources, and contributing to climate resilience.

### Our Commitments

1. **Sustainable Practices:** Incorporate sustainable principles into project planning and execution, promoting green transport, green infrastructures, renewable energy and energy-efficient solutions.
2. **Compliance:** Adhere to environmental laws and align with global frameworks like the United Nations SDGs, particularly SDG 13 (Climate Action) and SDG 15 (Life on Land).
3. **Climate Adaptation:** Assess climate risks and integrate adaptive strategies into project designs to enhance resilience against climate impacts.
4. **Pollution Prevention:** Reduce emissions, waste, and pollution; use eco-friendly materials and equipment to minimize environmental footprints.
5. **Resource Conservation:** Optimize water, energy, and material use while promoting reforestation, afforestation, and biodiversity conservation.
6. **Awareness and Training:** Educate employees on sustainable practices and foster a culture of environmental responsibility.
7. **Stakeholder Engagement:** Collaborate with clients, partners, and communities on sustainable solutions and advocate for climate action.

### Monitoring and Accountability

FEWS LTD actively engages in:

- **Developing and Tracking Metrics:** Establishing and monitoring specific performance indicators to measure progress in achieving environmental objectives.
- **Conducting Regular Audits:** Performing periodic Audits to ensure compliance with environmental standards and identify areas for improvement.
- **Ensuring Transparency:** Publishing comprehensive annual reports that detail our environmental performance, initiatives undertaken, and targets for the future.
- **Driving Continuous Improvement:** Leveraging audit findings and stakeholder feedback to refine practices and enhance overall environmental performance

### Final Statement

FEWS LTD is committed to leading in combating climate change and preserving the environment for future generations through innovation, collaboration, and dedication.
